

## **Padstow and Trevone Parish Plan Steering Group**

The Padstow and Trevone Parish Plan Steering Group has recently been formed to undertake drawing up of a Parish Plan for Padstow and Trevone wards. The Steering Group's first brief is to help the Council produce the Parish Plan from which subsequent projects will be initiated.

The group will be holding a 'Prioritisation Event' to gather everyone's views for the priority of 15 projects highlighted by the Parish Planning Event held last October. To make it as accessible as possible the event will be held in the Institute on the late night shopping evening of 8 December and the following day 9 December. The event in Trevone will be held the following Thursday 14 December at the Trevone Memorial Hall. Times to be advised by poster. All you need to do is pop in and vote on the boards provided. Those who cannot attend events can obtain prioritisation sheets from the Council Offices and Trevone Post Office. The closing date for votes is 15 December 2006. The Group would like to emphasise that the more people who attend to indicate their priority, the better chance there is of a project succeeding.

The current members of the Group are Town Councillors David Edwards, Neil Vivian, Pauline Davis, Julie Reynolds, Keith Freeman and Michael Hunt with residents Siân Howells, Mike Huntley, Elaine Ead, Dan Thomas, Steve Bettridge, Barry Kinsman from Padstow and Tony Doherty, Tim Stafford and Mary Winch from Trevone.
